

The Jackson County Agricultural Fair and 4-H Exhibition has been a long-standing tradition in Jackson County. Every year the fair is responsible for bringing many laughs, smiles, occasionally tears, but most importantly memories to the nearly 100,000 visitors and exhibitors that make their way to the fairgrounds each year.

This year's fair marks the 75th anniversary of the County Commissioners setting aside the current fairgrounds property to be used for the annual fair. The fairgrounds have seen many changes over the last 75 years, and we enjoy seeing the faces of our returning visitors as well as all the new ones. Many buildings have been added or expanded to house the great array of exhibits, food stands, livestock and local business the visitors come to see. There have also been expansions and improvements made to the bathroom facilities over the years, in an attempt to keep up with the needs of our many visitors. Each year the Fair Board works hard to improve the quality of this fair and the experiences of our visitors. However, we have found, once again, that our existing bathroom facilities fall short of the needs of the thousands of visitors who attend the fair.

To accommodate these needs and to help provide our visitors with the best experience possible, the Jackson County Fair Board has approved the construction of a new bathroom facility. This new facility will provide additional stalls and will include baby changing stations (we currently have only 1 station on the fairgrounds) and greater handicap accessibility, along with a family restroom for those who need assistance when using the restroom. As you can imagine, this is a large undertaking, and the Fair Board is asking for your help in the form of donations. While we are still in the process of finalizing costs, the anticipated budget for the project could exceed \$100,000.

Please join me in making a donation to the Jackson County Agricultural Fair and 4-H Exhibition, Inc. so we can make this project a reality. Because the Jackson County Agricultural Fair and 4-H Exhibition, Inc. is a certified 501(c)(3) organization, your donation is tax deductible to the full extent allowed by law, and you will receive a receipt for your donation.

I know we can count on you to help continue this great tradition, and thank you for your generosity.

Sincerely,

Wm Mark Norman
President
Jackson County Fair

**Jackson County Agricultural Fair
and 4-H Exhibition, Inc.
2014 Bathroom Project**

The Jackson County Agricultural Fair and 4-H Exhibition, Inc. is looking to raise \$85,000 towards the building of a new bathroom facility before the start of the 2014 Jackson County Fair. Any and all donations will be greatly appreciated.

A plaque will be placed outside of the bathroom facility acknowledging all significant donors to the project. In keeping with the Grand Champion tradition of the Jackson County Fair, we will be honoring Purple Ribbon donors for donations of \$5,000 and above and Blue Ribbon Donors for donations of \$1,000 up to \$5,000.
