However, the buyer for all market hogs from our fair, whether it is an auction hog or general out hog, has requested that all animals have $\frac{1}{2}$ " of body hair or greater. If your animal has less than $\frac{1}{2}$ " of hair and causes a stoppage in production at the buyers facility, **the buyer has the option to withhold payment on that animal. In that situation, the 4-Her will forfeit all market proceeds for that animal.**

2. Classes to be posted the night before the show. All changes must be reported to Terry Melloncamp or Mark Wischmeier by 10:00 a.m. the day of the show.

3. All 4-H auction and out hogs not being taken home for personal use or going to the State Fair will be loaded out following the auction on Saturday, July 29. - auction or loaded on the out hog trailer.
5. Pictures of 4-H auction hogs will be taken between 9 a.m. and 12 p.m. Wednesday, July 26. **At the time the pictures are taken all 4-Hers MUST know the destination of all non-auction hogs and report this to Lou Ann Hoevener. The 4-H program in Jackson County is an active, educational, recreational learning group for youth in grades K-12. It is open to everyone. 4-H is not just "cows and cookin'," but it includes so much more; such as scrapbooking, weather, performing arts, entomology, photography and crafts, just to mention a few of the project areas from which a child can learn. Not only do 4-H members learn skills, they are the future leaders of our community.

4-H is not just for youth, but for adults as well. 4-H, in order to be successful, needs strong volunteer leaders, local sponsors, parents, community support and Extension Educators representing the Cooperative Extension Service of Purdue University.

In addition to the regular 4-H Program (grades 3-12), there is also Mini 4-H, which is open for youth in kindergarten, first and second grades. This is an excellent opportunity for young children to learn about and become familiar with 4-H and its educational, interesting and fun challenges. Mini 4-H'ers may exhibit in a variety of mini projects and participate in educational events throughout the year.

All 4-H exhibits must be owned or made by the 4-H members and meet exhibit requirements. Ribbons will be awarded on the Danish system with each color ribbon awarded depending on the quality of the exhibit.

If you would like more information about 4-H and how you can become involved, contact your local Extension Office at 812-358-6101. Jackson County 4-H enrollment is due by January 15.
